# Status of competition in transit pilotage

## Timeframe:

2016 – 2019:	600 pilotages/year
2017 – 2019:	+ 200 pilotages/year
2018 – 2019:	+ 200 pilotages/year
2018:	ekstra 221 pilotages (rest from 2016)
2019 – 2020:	+ 200 pilotages/year
2020 –	: Free for all PSP

Only Danish Pilot Service has applied and been approved.

# Revision of Pilot Act and Pilot Orders

DMA is conducting a review of the Pilot Act from 2014

Why:

Promised in the Pilot Act 2014

How:

- Internal workshops
- Meetings with major stakeholders
- Riskanalysis

Outcome:

New Pilot Act and Pilot Orders with focus on the new regime with full pilotage competition including a stronger DMA control regime.

Deadline: 1 January 2020

# Status Greenland Pilotage 2016

Mandatory pilotage for cruise vessels with more than 250 passengers

PSP: Danpilot

24 pilotages was conducted

23 pilots was approved:

- 11 Danpilot

- 4 Old Royal Arctic Line(RAL) captains

- 8 New pilots from (RAL and Simonsen tanker)

Two pilots on board due to regulation of max 12 hours pilotage/24 hours

Status after October::

Well received by captains and crew, but greenland criticism about the pilotage costs

# Status Greenland Pilotage 2017

PSP Greenland Pilot Service (51% owned by Danpilot)

30 pilotages is ordered

7 new pilots has applied

- 4 Danpilot

- 3 new pilots from (RAL and Simonsen tankers)
